

PRIVATE TRANSPORTATION RELEASE CONSENT FORM

The College recognizes that in special circumstances, when college vehicles are not available, College employees may need to use private vehicles for official school related activities or field trips that have received prior approval from their immediate supervisor. When this occurs, employees and students are required to complete a *Private Transportation Release Consent Form* in its entirety.

By signing this form, I hereby release Gadsden State Community College, the Alabama State Board of Education, the Alabama Department of Postsecondary Education, and the State of Alabama from all liability for any and all injuries arising while being transported to this official school related activity or field trip in a private vehicle owned and/or operated by an employee of the college.
