GENERAL INFORMATION

Automobile Regulations

All students, faculty, and staff members are required to register their vehicles and obtain parking decals. This is done through the Switchboard/Information Office on the East Broad Campus in the One Stop Building, Registrar's Office/Valley Street, the Security Office on the Ayers campus, and the Cherokee Center. There is no charge for the parking decals.

At the time the vehicle is registered, the operator will receive an identification decal which is to be attached to the lower driver's side of the windshield of the vehicle. Parking tickets will be issued to automobiles unregistered, improperly parked or those parked in unauthorized parking areas.
