## Emergency Class Dismissal

When, in the opinion of the President or the person designated as acting in the absence of the President, inclement weather or other emergency situations create a hazard for faculty and students, the President or his/her designee shall notify designated Administrators on all campuses that the College will be closed.

Specific closures will be stated. Just because one campus could be closed doesn't mean every campus will be closed. Announcements of closing of each of these will be made through the emergency notification service (Cardinal Alert- please reference K1.2.1).
